

KCC - J-DESC

Repository Core Re-Discovery

Program (ReCoRD)

Proposal Form

Received date	
Proposal No.	
New / Revised	

(Above For Official Use Only)

Basic Information

Title:	
Keywords: (5 or less)	
Lead Proponent:	
Affiliation:	
Address:	
Phone:	
E-mail:	

Permission is granted to post the proposal contents on www.j-desc.org.

Granted. Not Granted.

Scientific Objectives (250 words or less)

Proposed Target Cores

Leg/Exp.	Site-Hole	Cores

Add lines as needed

[Note: Only cores in KCC are available.]

Proposed analysis prior to sampling

[Note: Please describe above any analysis needed prior to sampling. Standard set is X-ray CT, split core image (WH and/or AH), microscopic imaging of smear slide and/or thin section.]

Summary of previous studies of the target cores

Future Scope and Vision (250 words or less)

--

[Note: Please provide a description of the potential for future prospects, including the cross-disciplinary impact and outlook for IODP³ drilling proposals, in addition to the scientific value.]

Proponent List

Name	Affiliation	Position	Country	Expertise

[Note: For proponents who do not have J-DESC memberships, please put an asterisk (*) AFTER his/her name.]

Additional information (3 pages maximum, free format), including figures/tables and references.
